Hometown Proud

Serving our fellow citizens is a promise we make and a way of life we instill in our employees. It comes from a passion for the people we work with and the communities in with which we serve.

As area citizens, WFIN, WKXA and 106.3 The Fox care about the needs of our communities. Our employees and families work here, go to school here, worship here and enjoy all that this area has to offer. We're proud to be involved and part of a hometown team that makes our communities, extra-ordinary.

Our mission is to be the first place people choose for entertainment and information about our communities.
