January 13, 2022

Dear Findlay City Schools Community:

Findlay City Schools continues to experience staffing shortages in all areas. Additionally, there has been a dramatic increase in staff and student absenteeism. Therefore, classes will be canceled on Friday, January 14, 2022, and classes will resume on Wednesday, January 19, 2022. Please note that Monday, January 17th was a scheduled day off for students and staff to observe Martin Luther King Jr. Day.

These days will be observed as calamity days, extracurricular activities will continue as scheduled. Further information will be forthcoming from Findlay High School concerning the semester exam schedule.

Please note that buildings will be closed so they can be sanitized thoroughly during the closures. If you need to reach your teachers, please contact them through email or other communication tools supported by their individual classrooms. If you have a COVID case regarding your student to report during the cancellation period, **please report those via email to your building principals.**

We are very proud of what our team has done so far to keep operations running. Findlay City Schools staff members have stretched themselves to meet the needs of our students and community.

We encourage students, staff, and visitors to follow the COVID-19 guidance (<https://www.cdc.gov/>) which includes, but is not limited to wearing a face covering, social distancing when possible, and proper hand sanitizing.

Thank you for your understanding and support.

Mr. Troy Roth
Superintendent
